

EcoCare 250GR Odor Eliminator

EcoCare 250GR is specifically formulated to eliminate VOC odors (perfumes, fragrances, solvents, petroleum, aromatics) in air collection systems and waste water/sewer head spaces. It also reduces sludge odors, ammonia, mercaptans, hydrogen sulfides and sulphur dioxide, skatoles, indoles and hydrocarbon compounds.

- Concentrated natural fermentation product
- Biodegrades odors - Not a perfume or masking agent
- Non-toxic, non-flammable, non-hazardous
- Biodegradable & environmentally friendly

Odor Source Applications:

INDUSTRIAL PLANTS

- exhaust stack air release
- scrubber finishing
- sludge/solids removal & hauling
- dewatering
- settling tank holding

Instructions:

Dilute 1:50 - 1:500 depending on odor type and intensity. Apply as fog or fine mist in air collection systems and waste water/sewer head spaces. Not for use in high-pressure systems.

Contents:

EcoCare 250GR contains natural protein enzymes and surfactants derived from cereal, vegetable extracts, carbohydrate ferment.

Handling:

Good handling practice and appropriate PPE should be used when working with concentrated products. Stir contents before using.

Storage:

For maximum effectiveness and longevity store EcoCare 250GR below 125° F.
